Micro Grants:

Abington Bowling Club: £200 for a fridge – approved

Wiston Village Christmas Party: £380 for children's entertainer, hire of hall, decorations, children's presents – approved

Local issues:

Railway bridge on the B7055 between A73 Wiston cross roads, and Clyde bridge A702, had been narrowed by Network Rail and the bridge is on a "blind" summit. It was felt that traffic lights on the bridge would be helpful in avoiding potential accidents. EH to ask council to investigate.

Lamington:

JML reported the road from Lamington to Langholm requires sweeping.

JML reported a lamp post on the A702 had been struck and damaged and the lamp post is now "live". Amey Highways have been informed, EH to check on progress.

### Coulter:

MM reported that Amey Highways are proposing to install traffic lights on the A702 in Coulter, at the junction with Birthwood Road.

### Wandel:

AJ reported that Amey Highways will install a sign along the A702 to inform motorists of the services available at Abington. There are 3 potential locations. This work is scheduled to be completed in January/February 2019.

### Residents Survey:

Taylor Nisbet have been paid the second instalment to account. They are currently carrying out background checks and now is the time to “ramp up” public interest into what is happening.

### AOCB:

JML thanked AJ for all her help and support during his time as Chair of DCC.

Jo Talbot and Andy McLarty had decided not to stand for re-election to DCC and as such AJ thanked them for their efforts.

AJ also thanked JML for all he had done during his time as Chair of DCC.

Date of next meeting will be 4<sup>th</sup> of December.
